

GMP CONFERENCE

2024 SPONSORSHIP PACKAGE

The International GMP Conference has been co-sponsored by the University of Georgia College of Pharmacy and the U.S. Food & Drug Administration (FDA) since 1976. Originally established on the principle that the FDA and the pharmaceutical industry needed a neutral forum in which to discuss and debate critical drug and biologic manufacturing issues, the conference has evolved into a forum in which complex and sophisticated policies and procedures are presented and discussed.

The speakers are distinguished leaders in FDA, foreign governments and industry who will present the latest information on issues related to pharmaceutical quality and manufacturing. Conference attendees leave the conference with valuable information and ideas that will facilitate the production of safe, high-quality drugs for consumers. The conference is considered the oldest and best GMP conference internationally and is consistently rated outstanding by its attendees.

Why Sponsor?

As a conference sponsor, you will have the opportunity to advertise and promote your business and/or organization through multiple avenues/platforms. Your company logo and/or ad will be on the International GMP website, in the conference's printed and virtual programs, and be recognized from the podium. Depending on your sponsorship level, you will be allowed to have a designated number of conference vendor booth attendants/networking participants that will have access to other attendees and speakers for the duration of the conference.

SPONSORSHIP PACKAGES

SPONSORSHIP BENEFITS	PLATINUM LEVEL \$15,000	GOLD LEVEL \$7,500	SILVER LEVEL \$4,500	BRONZE LEVEL \$1,750
